The Saanich Peninsula Chamber of Commerce - **now 500 members strong** - **supports local economic development, promotes and protects business, and answers the front door to our communities every day.** The Peninsula Chamber also operates two busy visitor information centres, catering to the needs of travellers to our region, and beyond that, all of Vancouver Island.

**We appreciate your support of this year's Starry Night!** To help you make your donation decision we have listed below the donation categories, along with some suggestions. **Please complete the Donor Form provided and return it by fax, to our office.**

1. **Option 1** – you can donate a **silent auction item**. This should be something that you could see yourself bidding on, with a value between \$50 - \$300 dollars.
2. **Option 2** – for your donation of \$25 we'll buy a **bottle of wine** on your behalf, to be auctioned off as part of the live auction.
3. **Option 3** – you can make a big splash by donating an **item for the live auction**. Donation must be valued at \$500 or more.
4. **Option 4 – Cash** – your cash donation will be put towards a live auction item.

All **donors are recognized** in the **auction program** and on the **appreciation display**, on event night. **Donor's names** will also appear in the **Chamber's December 2009 newsletter**.

Starry Night promises thousands of glittering lights, great food, live music from the fabulous **Commodores Big Band**, and lots of fun. **Tickets (including a complimentary drink) are \$75, or \$550 for a table of 8.** When you book a table your name goes into a **draw to win, for your party of 8, a limousine ride to and from Starry Night** (book table by October 30 to enter).

Funds raised from this event will enable your Chamber to continue serving, protecting and promoting your business in our community.

Thank you, on behalf of the 2009 Starry Night Committee!
